JUNIOR AND SENIOR DIVISION

ABSTRACT & CERTIFICATION

TITLE: Cool Candy
Name: Diana Gonzalez and Yareli Borundi
School: Mesa View Middle School
Grade Level: 6

Type the Body of Your Abstract Here (250 Word Maximum)

The purpose of this project is to see if evaporation can keep a chocolate candy from melting. Wrap one candy in a dry paper towel. Wrap one candy in a wet paper towel. Apply heat for 5 minutes. Check candy to see how much candy melted. The candy in the wet paper towel melted less in all three trials. The evaporation kept the candy cooler.

1. The student independently performed all procedures as outlined in this abstract Yes No
2. This project is a continuation. Yes No
3. This project is being presented at SJRSEF NMJAS Paper Competition

I hereby certify that the above statements are correct and the information provided in the Abstract is the result of one year's research. I also attest that the above properly reflects my own work.
